The goal of the project is to provide information about Frank using the theme of his magazine publication Boys Don't Cry and incorporating themes from his music.

### 3. Audience

Pretty general audience. I'd like to be able to include it in my portfolio if possible.

### 4. Message

Mainly trying to communicate the themes in his music and information about him as both an artist and a person.

### 5. Visual Style

The magazine and his music video for Nikes are big inspirations to me. I was thinking of something very in line with both of those. Pretty dark, some reds, glitter, old style photography. Some distorted lettering.
